

STARTUP VALENCIA

Health and safety at VDS2024

Embracing evolution: Invest in the leaders of tomorrow

We're excited to welcome everyone to the unique opportunity to connect with companies and people whom you would not usually encounter, all in one place. It is home to the industry's boldest and brightest new voices, where the tech ecosystem comes together to shape what's next for the industry.

Stay updated

As we all know, situations can change, so make sure you keep up to date on the latest guidance from the [local health and safety regulations](#).

For international travellers, check with your airline and visit the [Spanish Ministry of Health](#). For up-to-date information regarding outbound countries from outside the European Union or Schengen-associated countries, please read the advice from the [Spanish Ministry of Interior](#).
